### **3. Aims and Objectives**

#### **Aim of the plan:**

To increase the short-term community resilience.

#### **Objectives of the plan:**

1. Identify vulnerable elements of the community.
2. Identify hazards and possible mitigation measures.
3. Identify resources and key contacts in the community.

#### **Emergency Co-ordinator:**

A person living locally who provides a vital link between the community and other organisations planning and responding to an emergency.

Their role is to:

- Undertake the completion and maintenance of the Community Emergency Plan.
- Provide a link to the emergency services.
- Call a community meeting during an emergency (if deemed necessary).
- Provide the focal point for the community response to an emergency.
